

Veem Instant Deposit

Veem's Instant Deposit makes it easy to get paid. Designed for contractors and small businesses, Veem's Instant Deposit solution enables you to receive payments directly into your debit account within minutes.

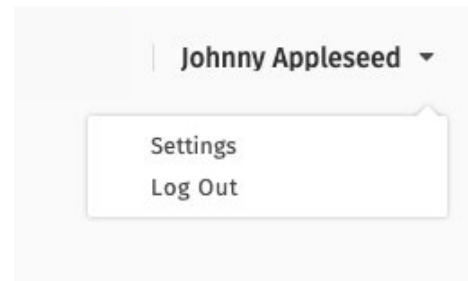

Follow these steps to receive your USD payments today:

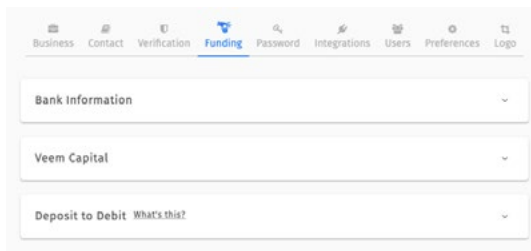

1. **Log-in** to your Veem account

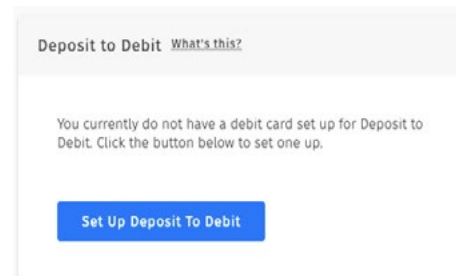

For new Veem users, visit veem.com to sign-up for free.

2. Click the drop-down arrow in the top right corner and select **Settings**

3. Select **Funding** from the top menu

4. Select **Set Up Instant Deposit**

A 1% (with a minimum of \$1.50, and maximum \$20) fee is applied to all Instant Deposit transactions. For any questions, we encourage you to reach out to Veem's client services team at clientservices@veem.com.

What are Veem users saying?

"Veem's Instant Deposit is convenient, simple and hassle-free," said **Britnee Johnson, freelance contractor**, "Access to real-time payment has streamlined my accounts receivable process."

"In the past, it took three or more days for funds to hit my account," said **Nick Hill, CEO, Altitude Technology Consulting**, "With Veem's Instant Deposit, I saw funds on my debit card immediately."
